*Mayann Dreams*

## Past Life Regression

£10.00

Discover and experience previous lives and understand yourself better

You know the saying " Oh! he's been here before!" or "An old head on young shoulders"! Well, maybe they have been here before! Maybe you have as well! Do you want to find out?

This recording will safely guide you and allow you time to explore your past lives.

Once listened to, please wait 3 or 4 weeks before listening to it again. This will give your subconscious time to integrate your experiences.

Recorded by Anne and available in CD and MP3 formats in Conventional Hypnotherapy only with entrainment at the optimum level for Regression.

*Do not purchase this recording if you have, or are being treated for mental health problems.*
